

SAIFUDDIN SHAIK

MERN Stack Developer

9642342792

saifuddin.shaik008@gmail.com

Hyderabad

PROFESSIONAL SUMMARY

Motivated **React** Developer with a strong foundation in front-end technologies, including **JavaScript, HTML, CSS, and Bootstrap**. Proficient in building responsive and dynamic user interfaces. Additionally skilled in back-end development with **Node.js, Express.js, and MongoDB**, enabling the creation of full-stack applications. Quick learner, eager to contribute to team success and grow in the field.

TECHNICAL SKILLS

- Advanced skills in **HTML5, CSS3, and JavaScript**, specializing in responsive design using **Bootstrap5**.
- Proficient in developing Single-Page Applications using **React.js** and **Redux**, with hands-on experience in building dynamic and interactive user interfaces.
- I have acquired foundational knowledge in server-side technologies, including **Node.js** and **Express.js**. Additionally, I have experience working with **MongoDB** for database management. These skills enable me to contribute effectively to building and managing web applications, handling both back-end and database tasks
- Version Control: Proficient in **Git** for efficient project collaboration and version management using tools like **VS code, GIT GUI, source tree**.
- Well-versed in the **Software Development Life Cycle (SDLC)** methodologies, including requirements analysis, design, implementation, testing, deployment, and maintenance. Experienced in applying various SDLC models such as **Waterfall, Agile, and Scrum** to ensure efficient and effective project management and delivery.
- Experienced in using **Visual Studio Code** as a primary code editor, leveraging its powerful features such as **IntelliSense, debugging**, and integrated terminal. Proficient in utilizing extensions and custom settings to enhance productivity and streamline the development workflow
- Having the knowledge on **CI/CD** pipelines
- Effective communication and teamwork skills, experienced in working with cross-functional teams in agile environments.

COURSE CERTIFICATIONS

- Completed the certification in **React.js** and **Redux** at Elearn infotech training institute
- Completed the certification in **HTML5, CSS3, Bootstrap 5** and **javascript** at Elearn infotech training institute

EDUCATION

VIGNAN'S LARA INSTITUTE OF TECHNOLOGY AND SCIENCE - *B.TECH (EEE)*

JUNE 2020 - MAY 2024

Throughout my B.Tech graduation journey, I consistently demonstrated strong dedication and a commitment to excellence, culminating in a solid **CGPA of 7.74**. This achievement reflects my ability to grasp complex concepts and apply them effectively.

SRI CHAITANYA JUNIOR COLLEGE - *INTERMEDIATE*

JUN 2018 - APR 2020

Achieved a solid **7.59 CGPA**, demonstrating strong knowledge in subjects.

K.S.R.T MPL HIGH SCHOOL - *SSC*

JUN 2017 - APR 2018

Achieved a solid **8.2 CGPA**, demonstrating strong knowledge in subjects.

PROJECTS

- **PORTFOLIO:** <https://saifuddinshaik0008.github.io/mysecond/>
- **DEMO WEBSITE:** <https://saifuddinshaik0008.github.io/landing/>
- **REACT-SAMPLE:** <https://myfirst-react-1.onrender.com>

INTERNSHIP

- Gained hands-on experience in React.js while learning and developing POC in Elearn infotech Training institute.
- Gain hands-on experience in the fast-growing field of Internet of Things (IoT) in graduation.

HOBBIES

- Playing cricket
- Watching movies
- Exploring new places
